

## DRAFT ANIMAL MANAGEMENT PLAN 2021 - 2025

As a Council, we are required to have a management plan in place to proactively address issues related to dogs and cats.

A plan is important for:

- ▶ having healthy, active pets and owners in our City
- ▶ supporting 'best' or 'recommended' animal management practices
- ▶ maximising desexing, microchipping and registration requirements mandated within the Dog and Cat Management Act 1995
  - ▶ working with our community ... and more

**Consultation closes 5pm on 24 August 2020.**
