### General description of the lands

Fawk Reserve is shown in the 'Site Map' of this Community Land Management Plan. The Reserve is a large sportsground and recreation area that caters for district sporting competition, events and recreational activities. The Reserve and land parcel (except for any part of the land, where relevant, that is subject to any lease/licence as granted by Council in accordance with Section 202 of the Local Government Act) is categorised as District Open Space and Sportsground and Recreation Park in the Types and Hierarchy explained in Community Land Management Plans – An introduction.

The Open Space Types applied in this Community Land Management Plan are not limited in the area they may occupy within the Reserve but will generally be available to apply anywhere within the Reserve.

## **Purpose for which the land is held**

The Council holds this land for the primary purpose of providing open space, sporting, recreation and community facilities and services for community use and spaces that may be utilised from time to time for complementary business purposes. The Council also holds this land for secondary purposes associated with addressing environmental, urban design, heritage and stormwater management needs (in no particular order of precedence).

## **Lease, Licence and Permits**

Council may grant or renew leases and/or licences over any part or parts of Fawk Reserve.

Any lease or licence granted or proposed to be granted must be consistent with the uses and purposes for which the Council holds the Reserve, and its objectives for the Reserve, as outlined in this Community Land Management Plan. They may be issued to various sporting, recreation, business, social or community clubs or groups for the use of buildings or any other open space within the Reserve whose activities cater for the local or broader community.

The Council may grant leases and licences of any length, and on any terms, to organisations established for sporting, recreation, social and/or community purposes over any land and/or buildings to which this Community Land Management Plan relates.

Council may issue a licence and/or permit to allow access over the Reserve, or to allow for an activity of a short-term nature. Uses of the land prohibited by Council by laws without approval or uses not identified in this management plan may be approved in relation to the Reserve for instances such as, but not limited to, access to adjoining properties during building construction work.

Council may issue an authorisation for commercial activities under Section 200 of the Local Government Act 1999. Authorised activities must be consistent with the purposes for which the Reserve is held. Approvals may be given on conditions the Council considers appropriate.

An example of activities Council considers relevant to the purposes of the Reserve when considering lease, licence, authorisation or permit requests are (without limitation)

- Passive and active sporting activities, events and competitions.
- Community and recreational activities and/or services catering to all ages and cultural groups including community gardening.
- Fundraising, educational and community awareness events that support cultural diversity, health, fitness and general community wellbeing.
- Mobile food vending.

Permits, licences or easements may be granted by Council to public service provider authorities, within delegations of a relevant Act, for the purposes of provision of electricity,

gas, water, internet and telecommunications services (except for above ground telecommunications towers).

#### **Management Objectives for the lands** (in no order of precedence)

- To provide open space areas and facilities, and services from those areas and facilities, that encourage participation in, and facilitate, sporting, recreational, cultural and community pursuits and to seek to maximise the use of the lands and their facilities for these purposes.
- To provide the community opportunities for diverse recreational activities such as, but not limited to, play, physical activity, picnics, walking, bike riding, dog exercising, youth activities, gatherings and social/cultural events.
- To support and encourage sporting clubs to provide the community opportunities for sporting and recreational activities.
- To maintain a community gardening facility within a portion of the Reserve.
- To address specific environmental, heritage and urban design objectives.
- To utilise a portion of the Reserve for stormwater management purposes if necessary.

#### **Proposal for managing the lands**

The management of Fawk Reserve is to be consistent with the descriptions and guiding principles for use and development identified in District Open Space Hierarchy and Sportsground and Recreation Park Open Space Types described in Community Land Management Plans - An introduction.

#### **Performance Targets and Measures for the lands**

The performance objectives, targets and measures for Fawk Reserve are outlined below. They do not indicate an order of hierarchy or priority.
