

ROAD AND STREETScape RENEWAL EIGHTH STREET & SEVENTH STREET BOWDEN

Eighth Street and Seventh Street in Bowden between Drayton Street and Gibson Street and is listed for road reconstruction in this current financial year.

Eighth Street in Bowden, between Drayton Street and Gibson Street, is listed for road reconstruction in the current financial year road program. The construction works will be coordinated with the adjacent development to ensure that once the development is completed, the roadways, footpaths and lighting are renewed to support the community for the future.

The road and streetscape renewal project involves the following initiatives along with minor streetscape improvements in Gibson Street, Drayton Street and Seventh Street.

Eighth Street (between Drayton Street and Gibson Street)

- Resurfacing of the roadway
- Replacement of all kerb and gutter
- Road widening on the southern side of Eighth Street to allow for widening of footpaths and the planting of trees
- Raised entry treatment at the intersection of Drayton Street and Eighth Street
- Minor stormwater improvements
- Installation of additional lighting on the existing stobie poles

- The inclusion of the existing permit parking spaces in the street (8 in total)

Gibson Street and Eighth Street intersection

- Widening of footpaths and the planting of trees
- Realignment of the footpath on the northwestern side of the street to improve pedestrian access
- The installation of kerb access ramps to improve pedestrian access across the intersection to Emu Park
- Minor stormwater improvements

Seventh Street (between Drayton Street and Gibson Street)

- Road widening on the northern side of Seventh Street to allow for widening of footpaths and the planting of trees.
- Replacement of concrete kerb and gutter on the northern side only

Drayton Street (between Eighth Street and Seventh Street)

- Renewal of the footpath and planting of trees

Please note, the preferred species of trees has not yet been determined.

How to Get Involved

To provide your feedback you can:

- Provide your comments online at yoursaycharlessturt.com.au/eighthandseventh
- Come along to a 'Walkshop' on the street, where we can discuss the concept plan and any ideas.

Tuesday 2 August 2022

4.30pm to 5.30pm

Meet at the Drayton and Eighth Street intersection

- Complete the enclosed hard copy survey and post it back using the reply paid envelope

Feedback is required by 9 August 2022

Should changes need to be made to the overall plan, we will provide you with an update prior to work commencing.
