

# DRAFT COMMUNITY VISION HAVE YOUR SAY!

## Join our conversation.

Our Community Vision defines us as a place to call home, and a place where we belong.

Our Community Vision creates a clear and collective understanding for the future of our city. The plan is a public commitment to work together to make our collective vision a reality.

### How we developed our draft Community Vision

Between August and October 2023, we spoke with lots of people and groups within our community.

Input into our Community Vision was captured using a range of methods, and some great ideas and amazing stories were shared.

Our draft Community Vision is now ready for you to read and comment on.

#### We invite you to share your thoughts.

1. What do you love about our plan?
2. Did we miss anything?
3. What else do you want to see?

Your feedback will inform the finalisation of our Community Vision.

Consultation closes at 5pm, Monday 29 April 2024.

4. Develop a well thought out plan that manages growth within the central precinct of our City.
